Announcements:

Rick received a letter from Letty noting the points of contact at SAMMC. She said we should plan on less than the number of attendees that sign up. Also, many are on special diets that we should consider when setting the menu. The Christmas party usually costs around \$3,000. Ed said that Tim said the building

use would cost \$1,600 minimum including ice cream if we choose not to have a complete meal.

Golf Tournament:

The date has been set for October 17, a Wednesday afternoon at 12:00. Rick met with Barry Hughes and George Fisher, who are willing to help and give ideas for making this a success. George has already helped tremendously by contacting the following business for donations:

Galaxy Golf—committed to 100 \$10 gift certificates and donate 4 golf lessons to the last place team

Golf Pride—2 full sets of grips

Golf Smith—150 \$10 gift certificates

Edwin Watts—contact them 10-15 days before tournament and they'll determine their donation

WOW!! Way to get us started, George!! Now the rest of us need to get excited and jump in to help however we can.

Ed shared humor.

Jack Hopkins presented a program on Our Optimist Career Path, which was motivating and interesting to all present.

Al Stewart drew Y's ticket for the drawing. (\$11.00)

We know it's legit since Al drew the ticket. 😊

Following the Optimist Creed, the meeting was adjourned at 1:00.

Respectfully submitted,
Becky Kuykendall
